“A Spaceman’s Home Companion” is based on “A Prairie Home Companion,” Garrison Keillor’s popular NPR show. As it is part of Friday evening’s entertainment at Loscon, Los Angeles’ annual Science Fiction convention, we have given it a “Sci-Fi” spin, though nothing is safe; The Maltese Falcon, National Public Radio, Star Wars, Star Trek, gospel music and corporate sponsorship all get the treatment.

Location:

The LAX Marriot is located on the North-East corner of Airport and Century Blvds. Parking is available on site in the hotel lot for an additional fee, and there is a restaurant and a pub for those that might want dinner before or after.
